"Come try my new dishes at the Melting Pot"

"Hello Dear Members,
 I am Chef Moustapha.

I have been recently hired as the new chef for the Woodrose Club.

I have traveled across the world and have been trained in various cuisines.

I have introduced a variety of new dishes at the Melting Pot!

Why don't you come try out the new menu?

Don't worry, your favourite dishes are still in place but there is a whole new range for you to taste.

Let me know if you love it, like it or want to change it.

See you soon."

- Chef Moustapha

Winner of the Valentine's Day Contest

The winner of last month's Valentine's Day contest is Mahalakshmi Manjunath. Congratulations !!!!!!! She has won a free dinner for two at the Melting Pot restaurant.

Did you know?

Holi is an ancient festival and there is evidence to suggest that it was celebrated as a festival even in medieval India. The paintings and murals on the walls of the ancient temples have captured the scenes of Holi, either based on Radha and Krishna or the royalty.
